Funeral Buffets

We have been catering in Northumberland for over 30 years. We have built a reputation for very high-quality food and excellent presentation. Let us help you through a difficult time by taking the worry out of the catering when you gather with friends and family after a loved one's funeral.

Outside Catering

We have three menus to choose which are outlined in our menu page. We can also offer a bespoke service should you prefer something a little different. Our buffet prices are for food only, dropped off and set up at your home, village hall or any other location. You would already have helpers, crockery and cutlery.

Please do ask if you need staff to serve drinks, wash up or if you need to borrow crockery as we can help you there too.

Venue and Catering

The cost for using Vallum as your venue is an additional £300.00 which includes staff, crockery and cutlery.

We can meet with you in person or chat over the phone to ensure everything is organised to perfection. Please ask if you would like testimonials and references as to our trustworthiness and professionalism.

All the very best
